**OPERATING AS USUAL**

With our unique sectorization strategy, we recognize not every customer and client has the same tastes, needs and expectations. This is why we are organized into different operating companies focused on the individual markets it serves. We serve millions, from vending to restaurants, from corporate cafes to school lunches to remote sites. \*\*\* The thoughts, views, beliefs and opinions expressed by followers "friends, likes" do not necessarily represent the positions, views, strategies, opinions, endorsement or advice of Compass Group USA, Inc.
