**OPERATING AS USUAL**

The Keuka Lake region is home to the ultimate in wine history. It was here in 1860 that the first bonded winery was established. It was also here that the first Vinifera vines were planted, sparking a renaissance in winemaking. Keuka Lake is the perfect place for your wine holiday. Keuka offers the most diverse group of wineries of any destination in the Finger Lakes. Whether your taste is dry or sweet, fruity or austere, our vintages of Vinifera, Hybrid and Native wines are sure to please every palate. Keuka is a total experience. Whether your visit is for a day, a week or longer, we are certain that our blend of history, diversity and hospitality will make your stay visit to remember. Come see us - our doors are open!
