OPERATING AS USUAL

Brass Ring Coffee is a collaboration between husband/wife team Sam Caster & Emma Barnum to bring fresh-brewed pour over coffee to Iowa City. We have a stand at the Saturday Iowa City We serve several varieties of fresh ground pour over coffee (including decaf) sold hot or iced. All coffees are 12 oz, and are measured, ground, and brewed fresh and individually on our handmade brew stand. We also have a cold brew coffee prepared in advance, served over ice). Our coffee is home roasted and bulk coffee is available for purchase. Outside of the Market, Sam also provides maintenance and repair for commercial and home espresso machines. We also can provide fresh pour over coffee at your next event (great for weddings!). Contact us if you'd like more information about these services! Contact us by sending us a facebook message. Thank you to our friends and family for all their help and support, and of course everyone who has visited and enjoyed Brass Ring Coffee!
