OPERATING AS USUAL

24 West Ranch offers premium, 100% all-natural, grass-fed beef raised right here in the Treasure Valley, just west of Boise. Owned and -operated by the Watterson family, the ranch has been operating since 1924. We graze our cattle on over 25,000 acres of open air in the Owyhee Mountains and finish them on our grass pastures in Star, Idaho. Our animals never see a feed lot or growth hormones. If you're looking for a healthy, local, sustainable alternative to today's industrial food choices, come visit us and let us show you around the ranch.
