**OPERATING AS USUAL**

In the year 2000 I had a Convenience Store off Ortega Highway in California. Among other items I started selling quality jerky in my store and found out quickly, if you have a good tasting jerky, preservative free and low in sodium, people love it and buy it. So I started with my own line of gourmet hot jerky and a few other products. Fast forward - our new shop is located on the historic Cannery Row, in Monterey Bay a popular vacation destination on the California's Central Coast. Featuring a unique selection of fine jerky including exotic meats like alligator, bison, and kangaroo as well as good old fashioned beef jerky. Our store also carries Betty Boop collectibles, Salt N Pepper sets, Doggie Couture and so much more. I invite you to visit my store and website. Patty Lockhart
